# Acknowledgement Checklist

**Members of the administrative team have given me a copy of the TSII Catalog and Elite Esthetics Student Handbook. On this page I acknowledge some of the more important points from those documents which we have discussed.**

I am required to participate fully in all aspects of the program. I do not have the option of picking and choosing what I will and will not do. When the instructor asks me to practice, demo, or work with a partner, I will comply even if it has an adverse effect on my hair and/or makeup on a given day. \_\_\_\_\_ Initial below

I will participate in “hands-on” practical work on fellow students, models, and clientele. When called upon, I will take my turn as “client” so that I understand the process from the client’s point of view. \_\_\_\_\_

***I am required to provide a model for five (5) of my assessments.*** The model can be a friend, a family member, or an acquaintance who recognizes a great deal. The model pays only a fraction of the normal fee for the assessment service. (Or, if I choose, I can pay the discounted fee for the model.) \_\_\_\_\_

I will respond respectfully to all directions given by the instructor. Especially when learning a new modality, I will listen with an open mind and complete all steps as instructed. \_\_\_\_\_

In rare cases, I may not be able to engage in a given activity. This will require written justification by way of a doctor’s order; or an instructor may make the determination that I can be excused from a given modality. The decision is not up to me. \_\_\_\_\_

As a student enrolled in a 600-hour program, I must accumulate the requisite hours. This means attendance and punctuality are critically important. \_\_\_\_\_

In the event of unavoidable absences, TSII offers opportunities to make up missing hours/days, and I must do so to qualify for graduation. If, however, I go over 600 hours before the scheduled graduation date, this does not excuse me from attending future classes nor does it qualify me for early graduation. I am obligated to attend class to the end (including review sessions) in order to qualify for graduation. \_\_\_\_\_

There may be times when I will be required to attend class outside my regularly scheduled class time (i.e., to attend a field trip). When this occurs, I will be notified with sufficient time to make necessary arrangements. \_\_\_\_\_

If, in the course of my program, my personal schedule changes and it jeopardizes my ability to conform to the scheduled arrival and/or departure times, TSII has the right to charge me for tutoring and/or make up hours for time missed. \_\_\_\_\_

I acknowledge that certain behaviors are expected of all students at TSII.  
My uniform must be clean and pressed, in good condition, with no rips, holes, or fraying. \_\_\_\_\_  
Artificial fingernails are not allowed. (I may wear a natural polish color or gel overlay on nails that are trimmed short. The finish may not be chipped.) \_\_\_\_\_  
○ There is no chewing of gum. \_\_\_\_\_

If I am offered and awarded any scholarship money, I must abide by ALL scholarship requirements, or the scholarship money will be withdrawn. Requirements will be assessed each month to verify that I have met my scholarship obligations. \_\_\_\_\_

TSII reserves the right to dismiss me as a first or final disciplinary step if my attendance, behavior, performance, or professionalism interferes with TSII’s training environment. \_\_\_\_\_

Ultimately it is my responsibility to capitalize on this opportunity to learn and to prepare for a new career. I will value my experience at TSII and act accordingly. \_\_\_\_\_
